“Some Thoughts to Enjoy”

1. When everything's coming your way, you're in the wrong lane.
2. Birthdays are good for you. The more you have, the longer you live.
3. You may be only one person in the world, but you may also be the world to one person.
4. Some mistakes are too much fun to only make once.
5. A truly happy person is one who can enjoy the scenery on a detour.
