# +++ Show and Grow Our Faith +++

Built on a spiral curriculum that integrates seven central doctrinal themes of Church teaching, Alive in Christ teaches children to know, love, and live their Catholic faith through Scripture, doctrine, and prayer.

- A truly engaging, comprehensive journey in faith that encompasses the six tasks of catechesis
- The grade level lens allows children to focus on a foundational topic in our Catholic faith each year
- Developmentally appropriate text, images, exercises, and activities all interact in ways that address multiple learning styles and engage the child's senses and imagination Children discover, explore, and experience traditional and modern artworks specifically chosen for each grade level with a connection to Scripture, tradition, and chapter objectives
